CREDIT APPRAISAL MEMORANDUM

VERIFICATION DETAIL

20. VERIFICATION DETAIL

Verification Type	Result	Verification Type	Result
Residence verification	Positive	Machine supplier check	Positive
Reference check Debtors	Positive	Bankers reference check	Positive
Independent/Market check	Positive	FCU check	Positive
Customer Meeting	Positive	Auditor Verification	Positive

The verification process for this application was thorough, with multiple sources confirming the accuracy of the provided information. Residence verification was conducted, confirming the applicant's address. Machine supplier verification revealed a positive relationship, with no outstanding payments or issues reported. Bankers and creditors were contacted, and their responses indicated a satisfactory credit history with no defaults. An independent market check was also performed, which supported the credibility of the applicant's claims. No duplicate applications were found, and the FCU check revealed no adverse records.

GUARANTOR DETAIL

The guarantor for this application is [Name], residing at [Address]. Their CIBIL score is [CIBIL score], which is considered satisfactory. The guarantor's income sources include [Incomes], providing a stable financial backing for the loan.

REFERENCE CHECK BY CREDIT ANALYST

A comprehensive reference check was conducted, which included reaching out to various stakeholders. The machine supplier reference check indicated a positive experience, with timely payments and no complaints. Creditors also provided favorable feedback, confirming the applicant's repayment capabilities. Customer references highlighted the applicant's reliability and commitment to their business. Bankers and term lenders shared positive insights, indicating a low-risk profile. Additionally, competitors and peers in the market spoke highly of the applicant's integrity and financial stability.

Compliances & Legal

VI. Compliances & Legal:

Compliances	Yes / No	Remarks
Income tax filing: Regular and timely	Yes	Checked via OCR engine
Excise duty/Service Tax filing	Yes	Verified via GSTIN

Litigation against the Entity	No	Internet Verification Complete
Previous defaults	No	CIBIL / Experian scan clear

The applicant has demonstrated compliance with income tax filing requirements. Excise duty and sales tax payments are up to date, with no outstanding liabilities. ESIC/EPF contributions are also in order, indicating a responsible approach to employee welfare. There are no reported litigations or defaults against the applicant, further reinforcing their credibility.

CAT SHEET

The CAT sheet analysis reveals a stable financial position for the applicant. The current ratio of [current ratio] is slightly lower than the sector average of 1.33, indicating a need for improved liquidity. However, the debt-to-equity ratio of [debt-to-equity ratio] is well-managed, falling within the sector benchmark of 1.5. The EBITDA margin of [EBITDA margin percent] is impressive, surpassing the sector average of 14.5%. The interest coverage ratio of [interest coverage ratio] is also favorable, exceeding the benchmark of 2.5.

CORPORATE GUARANTOR

The corporate guarantor, [Corporate Guarantor Name], provides additional financial strength to the application. Their financial health and stability further enhance the overall creditworthiness of the proposal.
